

Principal's Report—Sunnyside School

June 12, 2014

1. Yearend field trips—talk to your teachers about the educational and exciting field trips that they have planned.
2. Our ELP/Kindergarten Developmental Check-ups took place on May 23 with help from our kindergarten teacher, Mona Slusar, and our Early Learning Educator, Amanda Hudson, and many others. With the data collected, we can now determine the supports needed for our ELP and Kindergarten students in the fall.
3. On May 29 we held our school assembly celebrating the Kindergarten class. We were privileged to have Deputy Reeve Mr. Doeve in attendance representing the Lethbridge County. He presented the school with the County's 50 Anniversary pins.
4. Thank-you to all those who supported the Association Barn Dance. It is a great fundraiser for Sunnyside School and takes the dedication of so many wonderful people. We appreciate your sacrifice.
5. June 4th was our rescheduled Track Day and we were very pleased with the parental turnout and the beautiful weather. Students were thrilled to showcase their skills and to partake of the hotdogs and healthy snacks. Thank-you to all those who made this day a blast for our kids.
6. The Kindergarten orientation was held on June 6 with a high turnout of parents and students. We currently have about 20 registrations for the fall which is our highest in a long time.

On a final note, I want to thank our Palliser Trustee Esther Willms for her faithful support over the past three years. I also want to commend our parent council for their dedication and commitment to ensuring that the school is well-equipped and moving in a positive direction. You have done a fantastic job in bringing in funds, giving of your time and energy to make Sunnyside special. A special thanks to Corey Davis who has served with excellence as our School Council Chair. It has been a pleasure working with you.

Finally I want to thank all the families who call Sunnyside home. Thank-you for allowing me to be your principal. You have helped me grow and develop as a leader. You are a fantastic community and I will miss you.

Sincerely,

Les Greeno
Principal, Sunnyside School
